## Cromadex 640 Topcoat Two Pack Polyurethane Fine Texture Topcoat

Product Description	Cromadex 640 is a two pack polyurethane fine texture topcoat with excellent exterior durability and chemical resistance. The product offers a fine texture appearance for an aesthetic finish. Cromadex 640 demonstrates good mar resistance, ideal if the end product is to be widely handled. The addition of Rapidcure can speed up the drying time helping improve productivity in your factory. Cromadex 640 is available in the full Cromadex range of colours, including BS, RAL, metallic and special matches all in a lead free finish.						
Extra Life	Life expectancy of up to 15 years in a C3* external environment when used with a suitable Cromadex primer. See Extra Life brochure for full details.						
	* as determined in ISO12944
